

Loop Rd. Noble Riesling 2016

The story unfolds in the heart of Central Otago with the 1862 discovery of the Bendigo goldfields, considered one of the richest of its time. Today, the striking remnants of this era enrich our landscape and are the inspiration for Loop Rd.

The finest grapes are hand-selected from sustainable vineyards surrounding Lake Dunstan and crafted into an engaging expression of our unique region.

Harvested on the 5th May from Torr Vineyard located at Pisa. Fully botrytised @ 40 brix.

24 hours skin contact to extract sugars and flavours. Indigenous long ferment to 212 gr/l residual sugar and bottled early August 2016.
